

# **GOLDCRYPTO PRIVACY POLICY**

GoldCrypto seeks to ensure that participants in the GoldCrypto Pre-ICO, ICO and in AuX tokens retain their privacy.

GoldCrypto believes that your business is no one else's. Your entitlement to privacy is important to you as well as to GoldCrypto, so GoldCrypto will protect the information you may share through participation in the Pre-ICO, ICO, AuX tokens or by purchasing or using any of the GoldCrypto products and/or services. To protect your privacy, GoldCrypto follows different principles in accordance with worldwide practices for customer privacy and data protection.

- GoldCrypto will not sell or give away any information it may receive from you to anyone.
- GoldCrypto uses state-of-the-art security measures to protect your information from unauthorized users.

## **NOTICE**

When using the GoldCrypto website, products, or services, GoldCrypto may ask you for information that may personally identify you (personal information) or allow GoldCrypto to contact you. Generally, this information is requested when you create a Registration ID on the GoldCrypto site or when you participate in AuX tokens or participate in the GoldCrypto Pre-ICO or ICO. We use your Personal Information for four primary purposes:

- To make the GoldCrypto site easier for you to use by not having to enter information more than once.
- To help you quickly find information.
- To help GoldCrypto to create or change content so that it is most relevant to you and other users.
- To alert you to GoldCrypto upgrades, changes, services, offers, and other update information.
- Most importantly, to assure the security of any AuX tokens that you participate in.

## **CONSENT**

If you choose not to register or provide personal information, you can still use most of the GoldCrypto site, but you will not be able to access and GoldCrypto products and/or services, or participate in AuX tokens, or in other areas that require registration.

## **ACCESS**

GoldCrypto will provide you with the means to ensure that any of your personal information held by GoldCrypto at any time is correct and current. You may review and update this information at any time in your account settings. There, you can:

- View and edit personal information you have previously provided.
- Register. Once you register your account, you won't need to do it again. Wherever you go on the GoldCrypto site, your information stays with you.

## **SECURITY**

GoldCrypto has taken strong measures to protect the security of your personal information and to ensure that your choices for its intended use are honored. GoldCrypto takes strong precautions to protect your data from loss, misuse, unauthorized access or disclosure, alteration, or destruction.

When you transact in any way, place orders, or access your personal account information, you're utilizing GoldCrypto unique security as well as secure server software SSL, which encrypts your personal information before it's sent over the Internet. SSL is one of the safest encryption technologies available.

Your personal information is never shared outside of GoldCrypto without your permission, except under conditions explained in this Policy. Within GoldCrypto, data is stored in password-controlled servers with limited online access. Your information may be stored and processed by GoldCrypto in one or more geographical locations, to further enhance security.

Finally, no one can see or edit your personal information without knowing your user name and password, so please ensure that do not share these with others.

## **ENFORCEMENT**

If for some reason you believe GoldCrypto has not adhered to these Policy principles, please notify GoldCrypto by email at [info@goldcrypto.io](mailto:info@goldcrypto.io). Please use 'Privacy Policy' in the Subject line when communicating.

## **ELECTRONIC PRODUCT REGISTRATION**

When you participate in AuX tokens, you may be asked to register your purchase electronically. When you do, GoldCrypto merges your registration information with any information you may have previously provided (personal profile). If you haven't previously registered, GoldCrypto creates a personal profile for you from your product registration information. If you ever want to review or update that information, you can visit your account settings anytime and edit any of the Personal Information in your profile.

## **CUSTOMER PROFILES**

As mentioned above, every participant in AuX tokens has a unique personal profile. Each profile is assigned a unique personal identification number, which helps GoldCrypto ensure that only you can access your profile.

When you register, GoldCrypto creates your profile, assigns a personal identification number, then sends this personal identification number back to your hard drive in the form of a cookie, which is a very small bit of code. This code is uniquely yours. It is your passport to seamless travel across the GoldCrypto site, allowing you to download software, or participate in AuX tokens, or other offers without having to fill out registration forms with information you've already provided. Even if you switch computers, you won't have to re-register – just use your Registration ID to identify yourself.

## **WHAT GOLDCRYPTO DOES WITH THE INFORMATION YOU SHARE**

When you provide GoldCrypto with your contact information, being mainly your email address and personal identification, this information is used to send you advice of product and/or other GoldCrypto updates or important advice. Where you have provided your credit card number and billing address, or your cryptocurrency public key, then this information is used exclusively for the security of your AuX tokens, and for any future billing and/or payment services at that time. For your convenience, GoldCrypto saves billing information for future orders, payments, or other transactions, but will not use this information again without your permission.

GoldCrypto may occasionally hire other companies to provide limited services on its behalf, and in this event, will only provide those companies the information they need to deliver the service, and they are prohibited from using that information for any other purpose.

GoldCrypto will not disclose your personal information under any circumstances without notice, unless required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on GoldCrypto, the site, or its Service Operator; (b) protect and defend the rights or property of GoldCrypto and its family of websites, and, (c) act in urgent circumstances to protect the personal safety of users of GoldCrypto, its websites, or the public.

Importantly, to assure security of AuX tokens, they will only be able to be traded between parties that are KYC compliant, which is another major reason as to why GoldCrypto obtains and holds your personal information. It is important however to recognize that no KYC information is openly shared with, or provided to any regulator, or third party, except through formal demand from authorities that may be investigating serious illicit activities such as arms dealing, drug running, terrorism, slavery, or similar. Basically, issues concerning serious AML/CTP activities. Therefore, parties involved in any of these types of activities are discouraged from participating in AuX tokens.
